OVERVIEW

Recently renovated, The District on Bernard is headlining a surge of modernization and growth in the downtown core, and specifically the transformation of the 500 Block of Bernard Avenue. This property benefits from a high volume of both pedestrian and vehicular traffic, which is expected to rise with increased development in the area. Being the only dedicated downtown retail centre with ample parking, the District on Bernard presents a rare opportunity for retailers to occupy unique space in the most vibrant part of the city, whilst benefiting from a cohesive tenant mix, accessible customer parking, and increasing traffic. With a mission for unified success, The District on Bernard is ready to assume new retailers.
